

Worthington Owners Association Newsletter

March 2018

Volume 18 Number 1

The Worthington Owners Association (WOA) is a lot owners' association as opposed to a homeowners' association. The development started with many vacant lots which have had homes been built on them over the years.

An **Owners' Association** is run by a board of directors who are elected annually by **lot owners** to oversee the common assets of a property/area, manage its finances, run business affairs, set and enforce rules as specified in the covenants and addenda.

Annual Dues reminder—\$150 due by March 15.
Late fees will be assessed after March 15!

See attached pages for the most common WOA covenant violations.
