## Mail Boxes

Spring is coming and it would be a good time to take a look at your mail box and make sure it is in good condition. This is one simple and easy fix to help keep our neighborhood looking good. Please make sure your box has a door that closes. Your mail box should be black in color and must have your house number in white. Any changes to your mail box other than repainting it black and affixing new numbers will require approval by the board. We would like to have this completed by May 1, 2021.
